

## **Ambizione call 2021: Results of the 15<sup>th</sup> Call**

### **Summary**

Ambizione enables young researchers in all disciplines to start doing independent research. The grants are aimed at young researchers who wish to conduct, manage and lead an independent project at a Swiss higher education institution.

The Ambizione funding period is four years. Ambizione is also open to young researchers with non-professorial research positions offering career prospects. As a result, applicants can request Ambizione grants with or without a salary.

In November 2021, 473 applications were submitted for the 15<sup>th</sup> Ambizione call (Social Sciences and Humanities (SSH): 148 applications; Mathematics, Informatics, Natural Sciences and Technology (MINT): 195 applications; Life Sciences (LS): 97 applications; Life Sciences-PROSPER/SCORE (LS-P/S): 33 applications). For the second phase, 163 candidatures were considered. These candidates were invited to an interview to present their project.

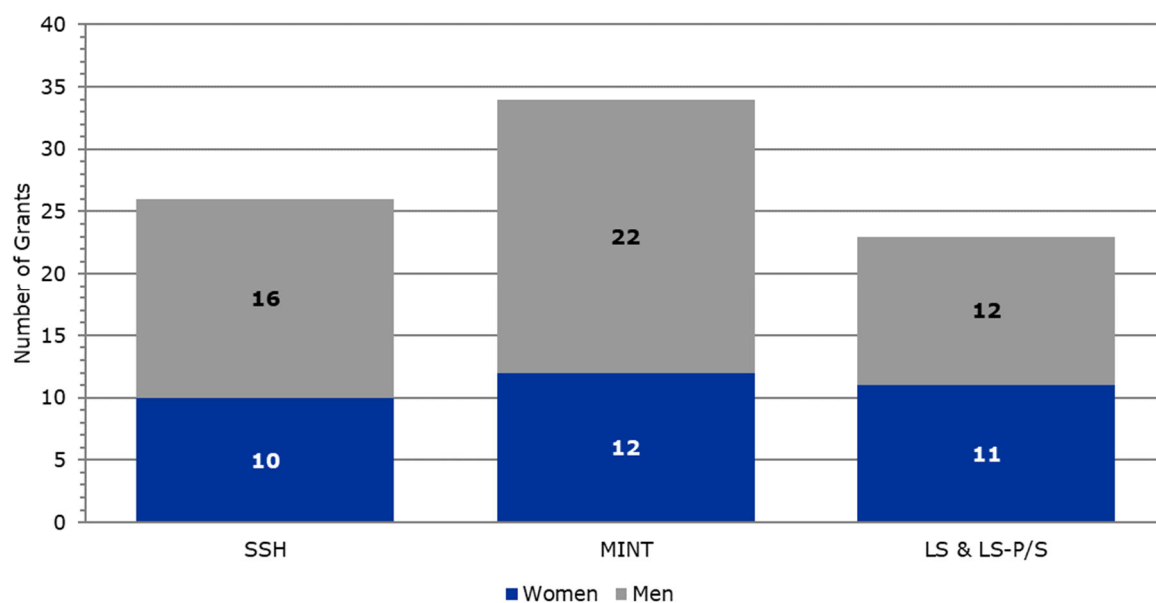

In August 2022, the SNSF awarded 83 new Ambizione grants (SSH: 26; MINT: 34; LS: 17; LS-P/S: 6). 15 Swiss research institutions will be involved when the grant awardees begin their work. This year, the targeted share of female grantees (35 %) was exceeded with 33 grants awarded (39.8 %). The next call is already running since the beginning of August 2022 with a submission deadline on 1 November 2022.
