

Ambizione call 2022: Results of the 16th Call

Summary

Ambizione enables young researchers in all disciplines to start doing independent research. The grants are aimed at young researchers who wish to conduct, manage and lead an independent project at a Swiss higher education institution.

The Ambizione funding period is four years. Ambizione is also open to young researchers with non-professorial research positions offering career prospects. As a result, applicants can request Ambizione grants with or without a salary.

For the second phase, 169 candidatures were considered. These candidates were invited to an interview to present their project.

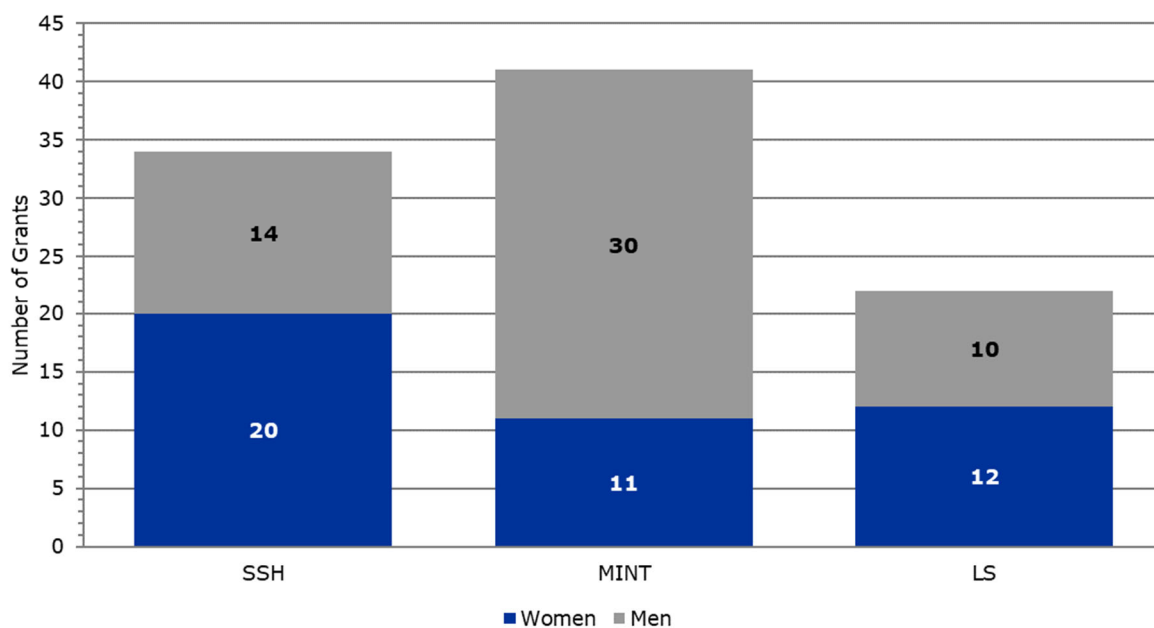

In August 2023, the SNSF awarded 97 new Ambizione grants (SSH: 34; MINT: 41; LS: 22). 18 Swiss research institutions will be involved when the grant awardees begin their work. This year, the targeted share of female grantees (35 %) was exceeded with 43 grants awarded (44.3 %).
