

SNSF Eccellenza Professorial Fellowships: 4th evaluation round

32 grants in 2021

Grantees of a SNSF Eccellenza Professorial Fellowship will become assistant professors without tenure track. They will lead an independent research project and direct a team of researchers in Switzerland. The grant covers the grantee's salary at the local rates applicable to assistant professorships and project funds of up to 1,000,000 Swiss francs for a five-year period.

Submission: 244 applications

- 77 in Humanities and Social Sciences (HSS)
- 87 in Science, technology, engineering, and mathematics (STEM)
- 80 in Life Sciences (LS)

Phase 2 of the evaluation:

- 71 applicants were invited for an interview.
- 69 applicants came for an interview at the SNSF (2 withdrawals).

32 applicants are funded.

The overall success rate is 13.1% (women: 12.7%; men: 13.3%).

The share of women is 29.1% of the applicants who submitted and 28.1% of the applicants who are funded.

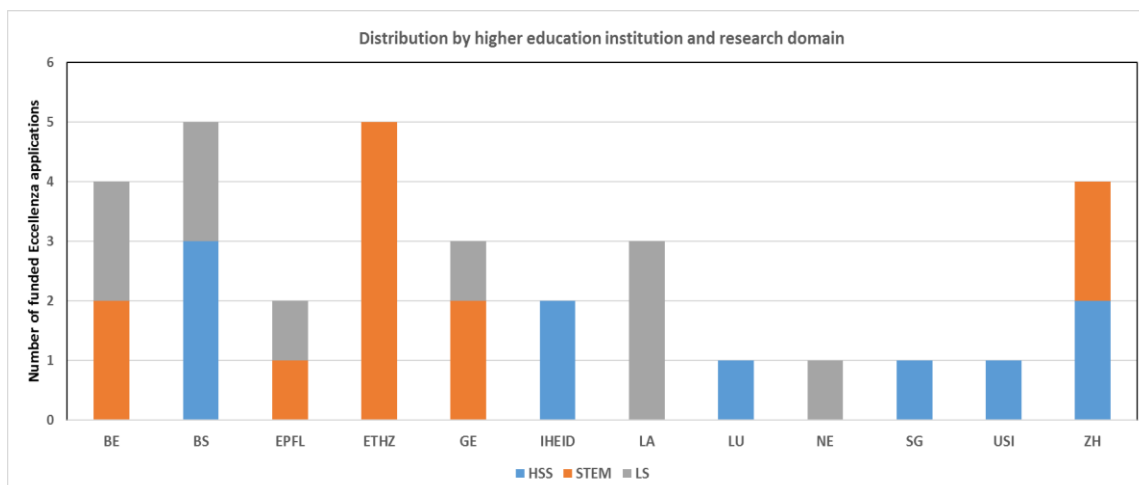

Grantees will be working in 12 different Swiss higher education institutions.
